Signature of Parent/Guardian:		Date:						

^{*(}Please attach a copy of receipt from Home Affairs to your child's present birth certificate, should your child not have an Unabridged Birth Certificate.)

FEE COLLECTION PROCESS

Thank you for your ongoing support of QGAP. We appreciate you choosing our school and invite you to be a part of your child's educational journey.

An increasing problem for independent schools around the country is bad debt from unpaid school fees. Get Ahead is no different in this regard. We are always grateful to the parents who do pay punctually, understanding the commitment that requires. However, in order to try and reduce this burden of non-payment of fees on the school and to maintain the quality service we provide we are instituting the process outlined below which will be in effect from 01 January 2022.

We urge all parents to communicate with the bursar on a regular basis should they experience a problem paying their fees. We would rather work with you to make arrangements than be forced to follow legal proceedings.

Should a debit order bounce or fees not be received upon the due date, the following will occur:

- A WhatsApp/SMS/email and/or telephonic reminder will be sent notifying you of what is owing.
- After 1 month: a further WhatsApp/SMS/email and/or telephonic reminder.
- After 2 months (or two bounced debit orders): you may be given notice that you will be handed over if your fees
 are not settled.
- After 3 months: you may be handed over to lawyers for the legal collection of any monies still owing. You may receive notice to provide representation on why your contract should not be terminated at the next appropriate date if your fees are not settled.
- After 4 months: should payment not be received by the date indicated on the letter above, and no mitigating circumstances presented, your contract may be terminated with a month's notice or a month and part thereof, depending where the end of term falls.

Further, the preferred method of payment is by electronic transfer (EFT). Kindly note that fees deposited by cash, attract a bank deposit fee, which fee will be recoverable from you by Get Ahead.

We now have a convenient debit order system in place and we request that each parent complete the debit order form.

We look forward to your support in partnering with us to educate your child.

Please download the PARENT CONTRACT from our website (qgap.getahead.org.za).

Read through the entire contract,

and both the parent and payer is to sign where required on each page.

The parent contract is to accompany the application form.
